REASONS FOR VOLUNTEERING:

- Volunteering may be an outlet for your natural talents, a road-test for your new career, or simply a handy way to network
- Volunteering is also an opportunity to develop new skills, expand your horizons and help others
- Volunteering is particularly helpful for those with little practical experience in their chosen field
- Volunteering is a way of giving back to the community showing social responsibility and performing sewa
- Volunteering is a great example to set for our camp children and your children, enriching the campers and teaching them the art of kindness and giving
